Dear Ambassador McCoy,

Just a few words of encouragement and praise to one whose continued dedication to public service has been an inspiration to me and indeed to all Americans who look to our leaders to be the voice of the people in government. Your sensitivity to the needs of the people especially those of the minorities and the poor, your willingness to express those needs and your drive to promote progressive change has offered hope to many who had none.

I have become very sensitized to the effectiveness of good leadership in government from my many years in the human service work of Peoples Temple. Your leadership abilities have indeed been exemplary.

We were most honored to have you visit our project in Jonestown and that you showed the interest to do so. It is such a privilege [illegible]

to promote American goodwill to the Guyanese people, working side by side with the people of a developing nation.

Again, know that your concern for the people has not gone unnoticed. We appreciate you.

Sincerely,
